INSERT after "CC&N's" "In Pueblo Del Sol, the Commission determined that the agreement to serve the Pueblo Del Sol area under the transferor's approved rates was in the public interest. There is no indication that under slightly different circumstances, the Commission could not have found the opposite or that the Court would not have upheld the Commission's decision."

ISNERT after "July 1, 2004." "The Commission is not changing SWG's rates outside of a rate case. Once BMG is dissolved and all assets are SWG assets, there are no BMG assets and SWG's previously-approved rates are appropriate. This situation is analogous to SWG acquiring facilities from a developer for a new development."
